

**DISTRIBUTION & TRANSMISSION POLE QUESTIONNAIRE  
THROUGH BORING PROCESS  
(FOR USE BY APS ONLY, WILL NOT BE SHARED WITH OTHERS)**

Date: \_\_\_\_\_

Utility: \_\_\_\_\_

Utility Contact(s) w/ Title: \_\_\_\_\_

- 1) Do you require through-hole boring treatment holes for new wood poles?
  
- 2) If so, what drill pattern do you use?
  
- 3) What is your wood pole inspection and treatment cycle?
  
- 4) If you use through-hole treatment holes, what are your inspection and treatment procedures?
  
- 5) Have you seen any difference in failure rate of through bore vs. non through bore poles?
  
- 6) Can we get a copy of your standard?
